### **Seal Beach Chamber's Sizzling Summer Concert Series**

**June 2, 2011, Seal Beach CA:** With summer just around the corner, we often wonder how to fill those long, warm summer nights with entertainment for the whole family. Well, look no further than sunny Seal Beach. Fast becoming a favorite summer tradition, the Seal Beach Chamber's Summer Concert Series draws everyone from groups of friends and neighbors to families with young children, all who gather up on beach blankets and chairs to enjoy some sweet tunes and a picnic dinner under blue summer skies.

This year, nine concerts will be offered with music ranging from rock to blues to modern and with the stiff competition, these bands are sure to impress. The series will kick off on Wednesday, July 6<sup>th</sup> with Southland Mega Groove, a band covering a wide variety of music from classic rock, the 70's, 80's, 90's along with modern rock, pop and country- something truly for everyone!

Erik Dreyer-Goldman, Seal Beach Chamber President, shared his excitement with this event describing these summer outdoor concerts as a great opportunity to get together as a community while celebrating summer and the outdoor lifestyle we enjoy in Seal Beach and the surrounding communities. The concerts were incredibly popular the last 4 years as he saw people putting out beach blankets and lawn chairs early in the morning to save a seat for family and friends.

The official schedule of bands and dates are listed as:

Concert #2	Wednesday, July 13, 2011	Sgt. Pepper
